ABOUT US

A magnifying glass with a wooden handle is positioned over a target on a wall. The target has concentric circles and a red bullseye. The words 'etC GROUP' are printed on the target. The magnifying glass is focused on the logo, making it appear larger and more prominent. The background is a textured wall with a grid pattern at the bottom.

etC GROUP

Ermelo Truck & Tractor Centre started in 1992 and in 1997 it was joined by Mr Charlie Barnard as Dealer Principal and his son Corrie, who was getting his hands dirty as a commercial mechanic.

Corrie has worked himself through the ranks and into the sales division, giving him 26 years of experience from the ground up. After the passing of his father, he joined forces with Hercules Lourens in partnership and in 2023 Gerar Baird joined the directors panel and the ETTC Group are growing to new heights.

The ETTC brand expanded his dealership network to :

- Swaziland
- Newcastle
- Middelburg
- Richards Bay
- Midvaal

The ETTC Group are now covering the main route from Gauteng via Mpumalanga along the N12, N17, N4 & N2 to North Kwazulu Natal making the ETTC group covering a big part north of South Africa.

COMMITMENT

Vision:

To be the preferred supplier to a core group of key customers

Mission:

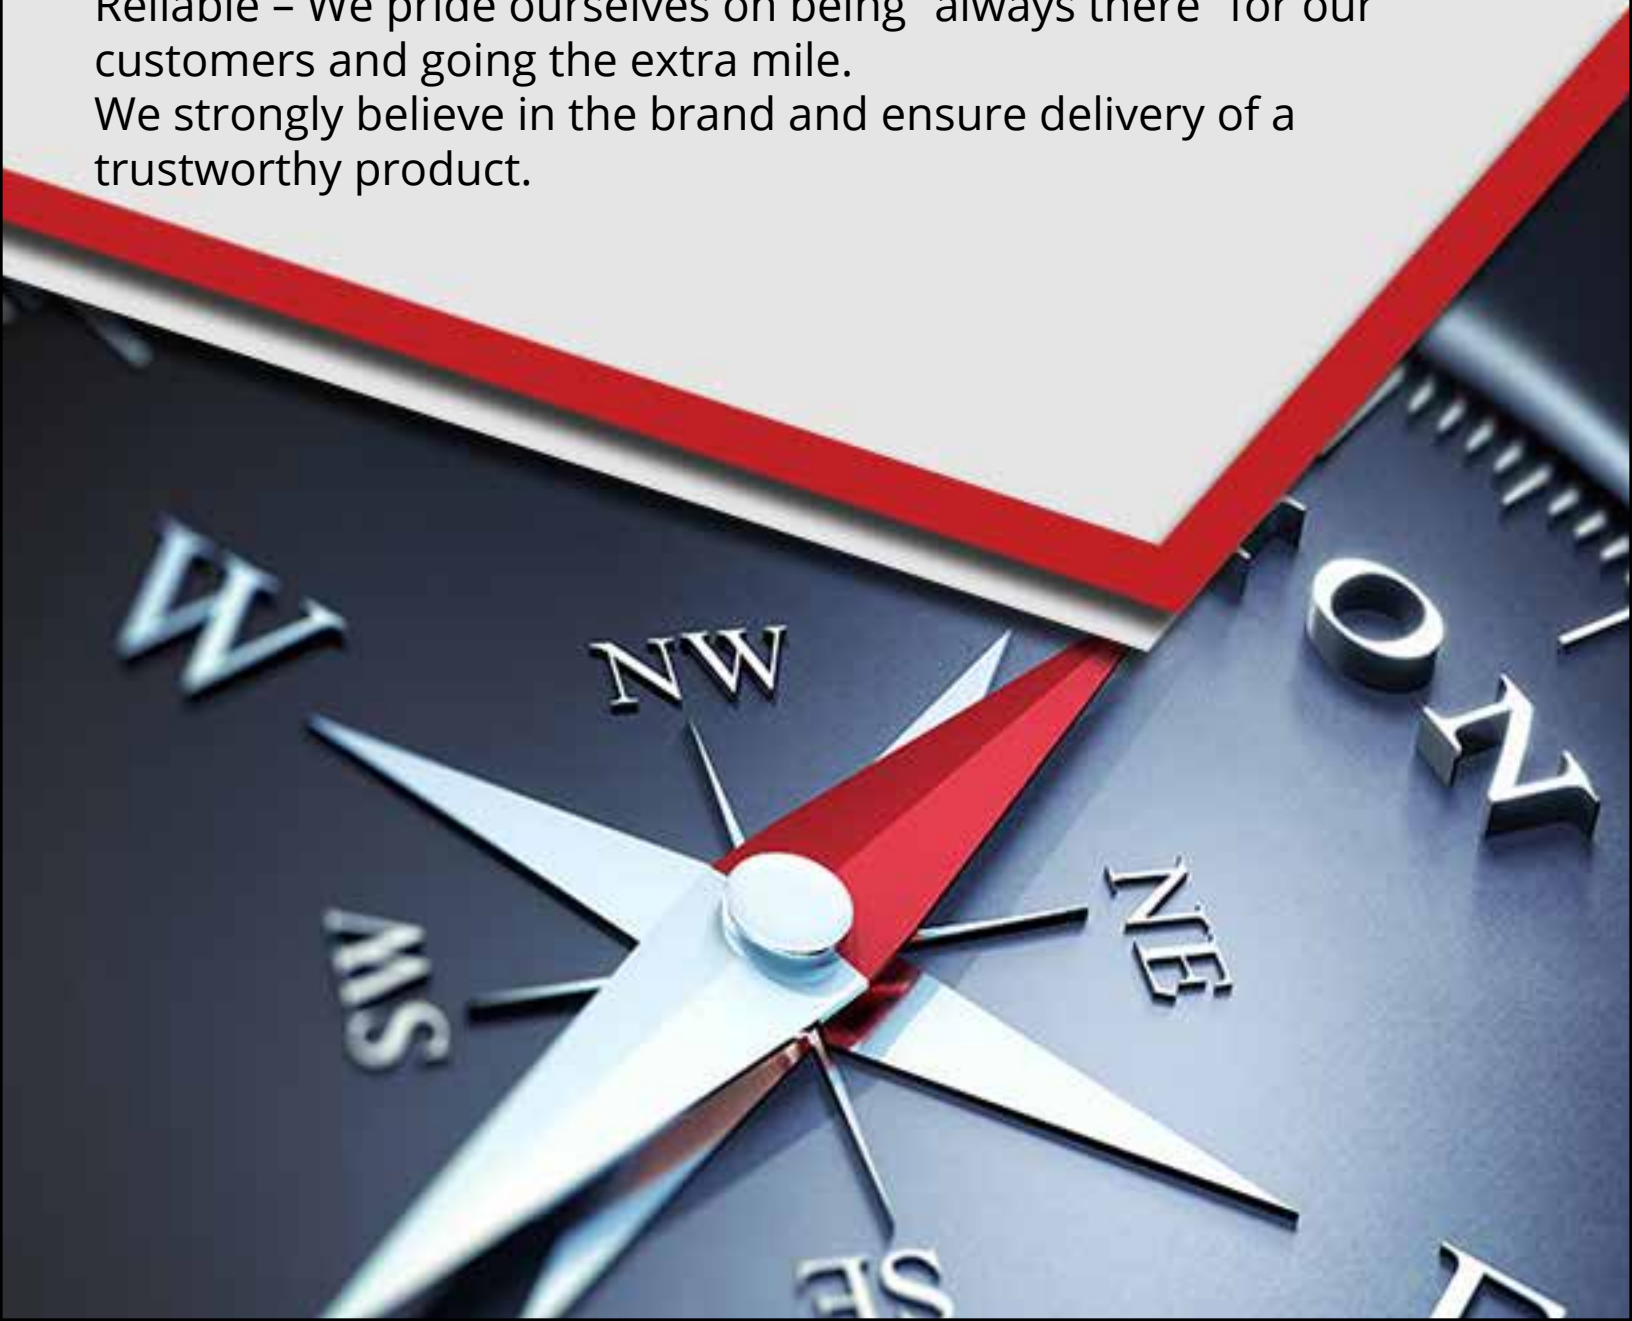

To offer a value adding service throughout our departments of sales and aftersales and to build a strong and reliable trust relationship with our customers.

Values:

Commitment – We are committed to our brands and our customers, to deliver on a promise and delivering a service countrywide.

Reliable – We pride ourselves on being “always there” for our customers and going the extra mile.

We strongly believe in the brand and ensure delivery of a trustworthy product.

OUR SERVICES

SALES

The Sales Department offers the full Range of vehicles from Medium to Heavy as well as Extra Heavy and the group is equipped to supply from 6 well-known brands locally and internationally.

SERVICES

We have fully qualified technicians able to fulfil all mechanical repairs while keeping up with training on all the latest models. We are also fully equipped in our workshops with all the prerequisite specialised tools and diagnostic equipment. Clients are also offered the use of a 24 hour breakdown service as well as a parts department with a 24 hour standby team.

PARTS

The Parts Departments supplies the full range of original parts to our customers over the counter as well as supplying the workshop, giving our clients the satisfaction of original fitted parts protecting the warranties of the six brands.

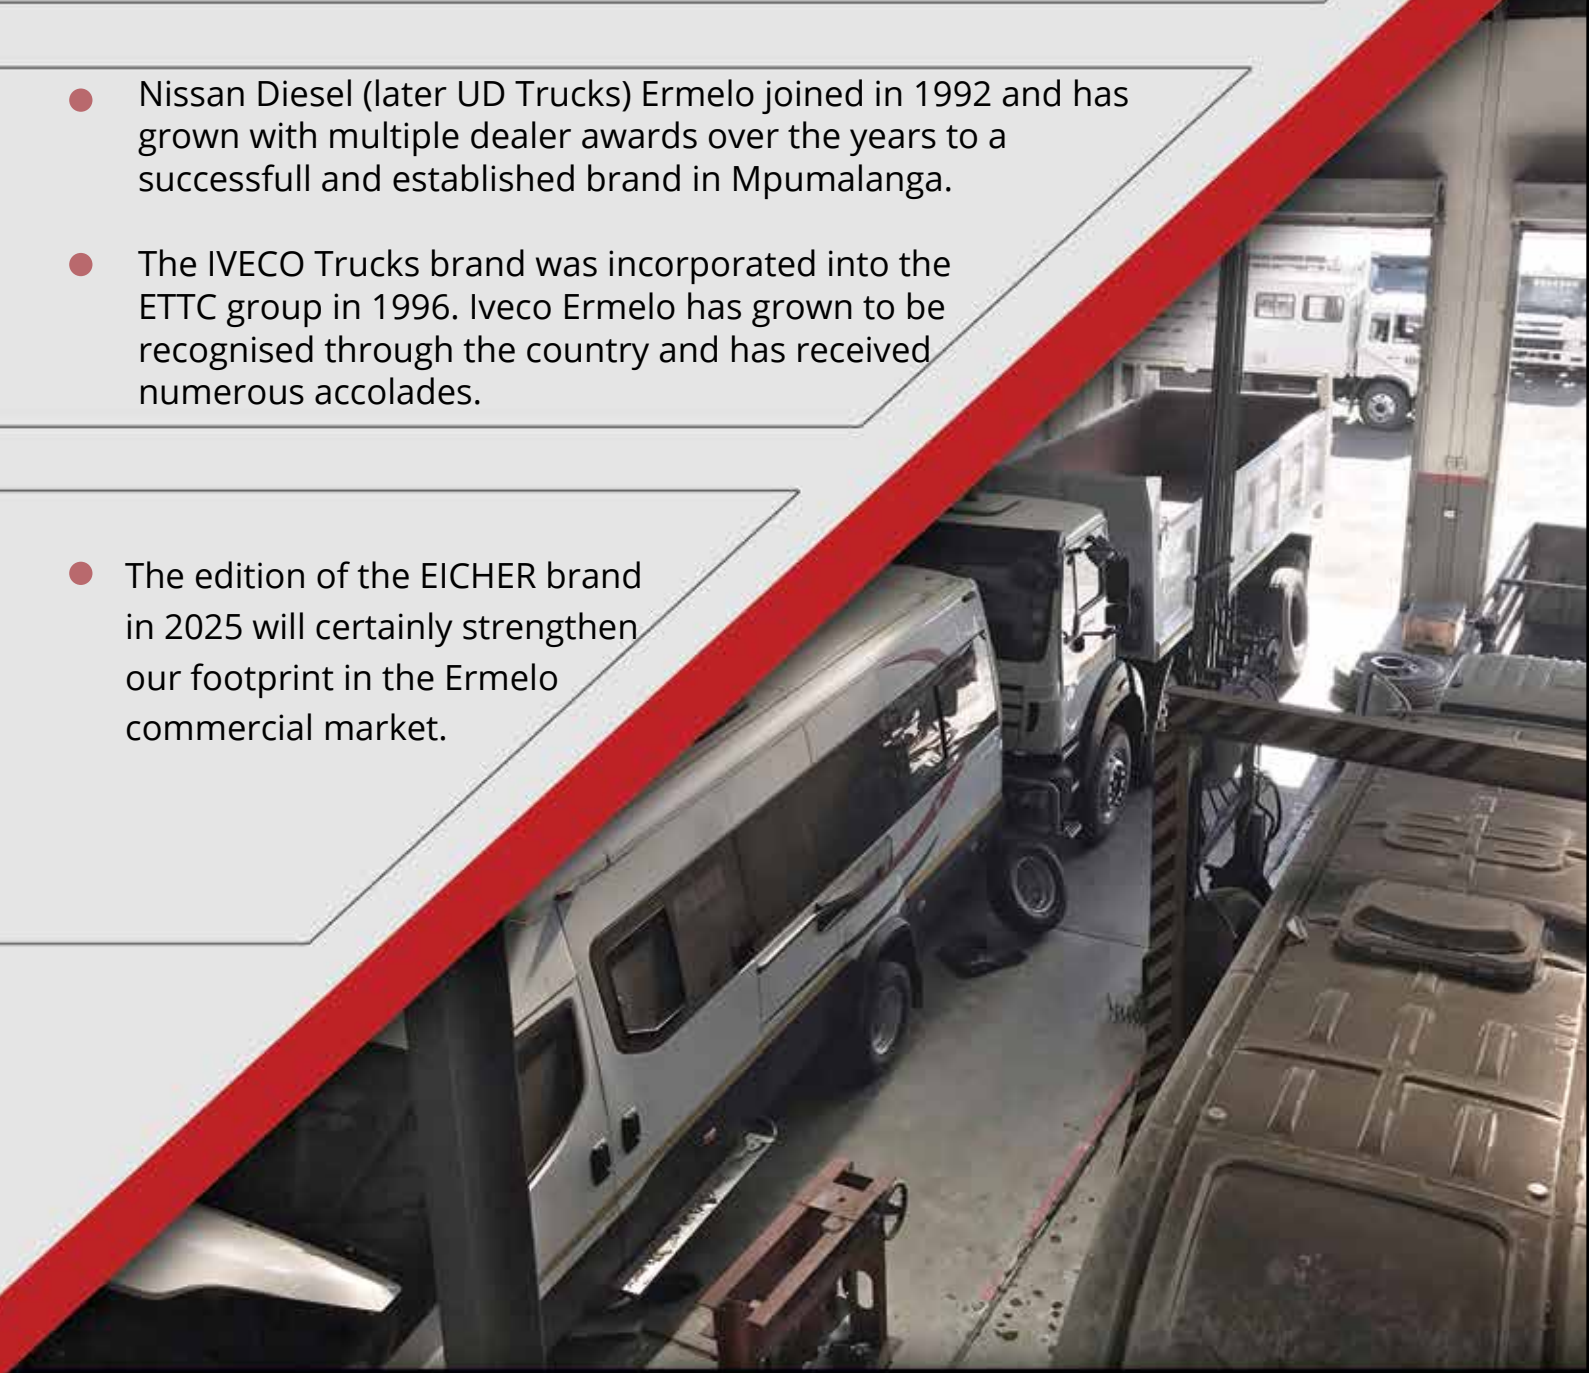

ERMELO TRUCK & TRACTOR CENTRE

ERMELO TRUCK & TRACTOR CENTRE

- Ermelo Truck & Tractor Centre has fully qualified technicians able to fulfil all mechanical repairs while keeping up with training on all the latest and newest models. We are also fully equipped in our workshop with all the prerequisite specialised tools and diagnostic equipment.
- Nissan Diesel (later UD Trucks) Ermelo joined in 1992 and has grown with multiple dealer awards over the years to a successful and established brand in Mpumalanga.
- The IVECO Trucks brand was incorporated into the ETTC group in 1996. Iveco Ermelo has grown to be recognised through the country and has received numerous accolades.
- The edition of the EICHER brand in 2025 will certainly strengthen our footprint in the Ermelo commercial market.

24 Chris de Villiers Street, Ermelo, Mpumalanga, 2351

HIGHVELD COMMERCIAL VEHICLES

HIGHVELD COMMERCIAL VEHICLES

- We opened this branch in 2015 after establishing a vehicle park with enough units in operation to deliver a service at the clients' doorstep.
- Iveco orientated until 2018, when the FAW brand was introduced to cater for wider spectrum of clients in the Middelburg area.
- Powerstar brand introduced in 2021.
- Shantui is fully operational in sales and aftersales from 2024.
- Official supplier of original parts for Iveco, FAW, Powerstar & Shantui with a fully equipped workshop and brand qualified technicians in all our brands.

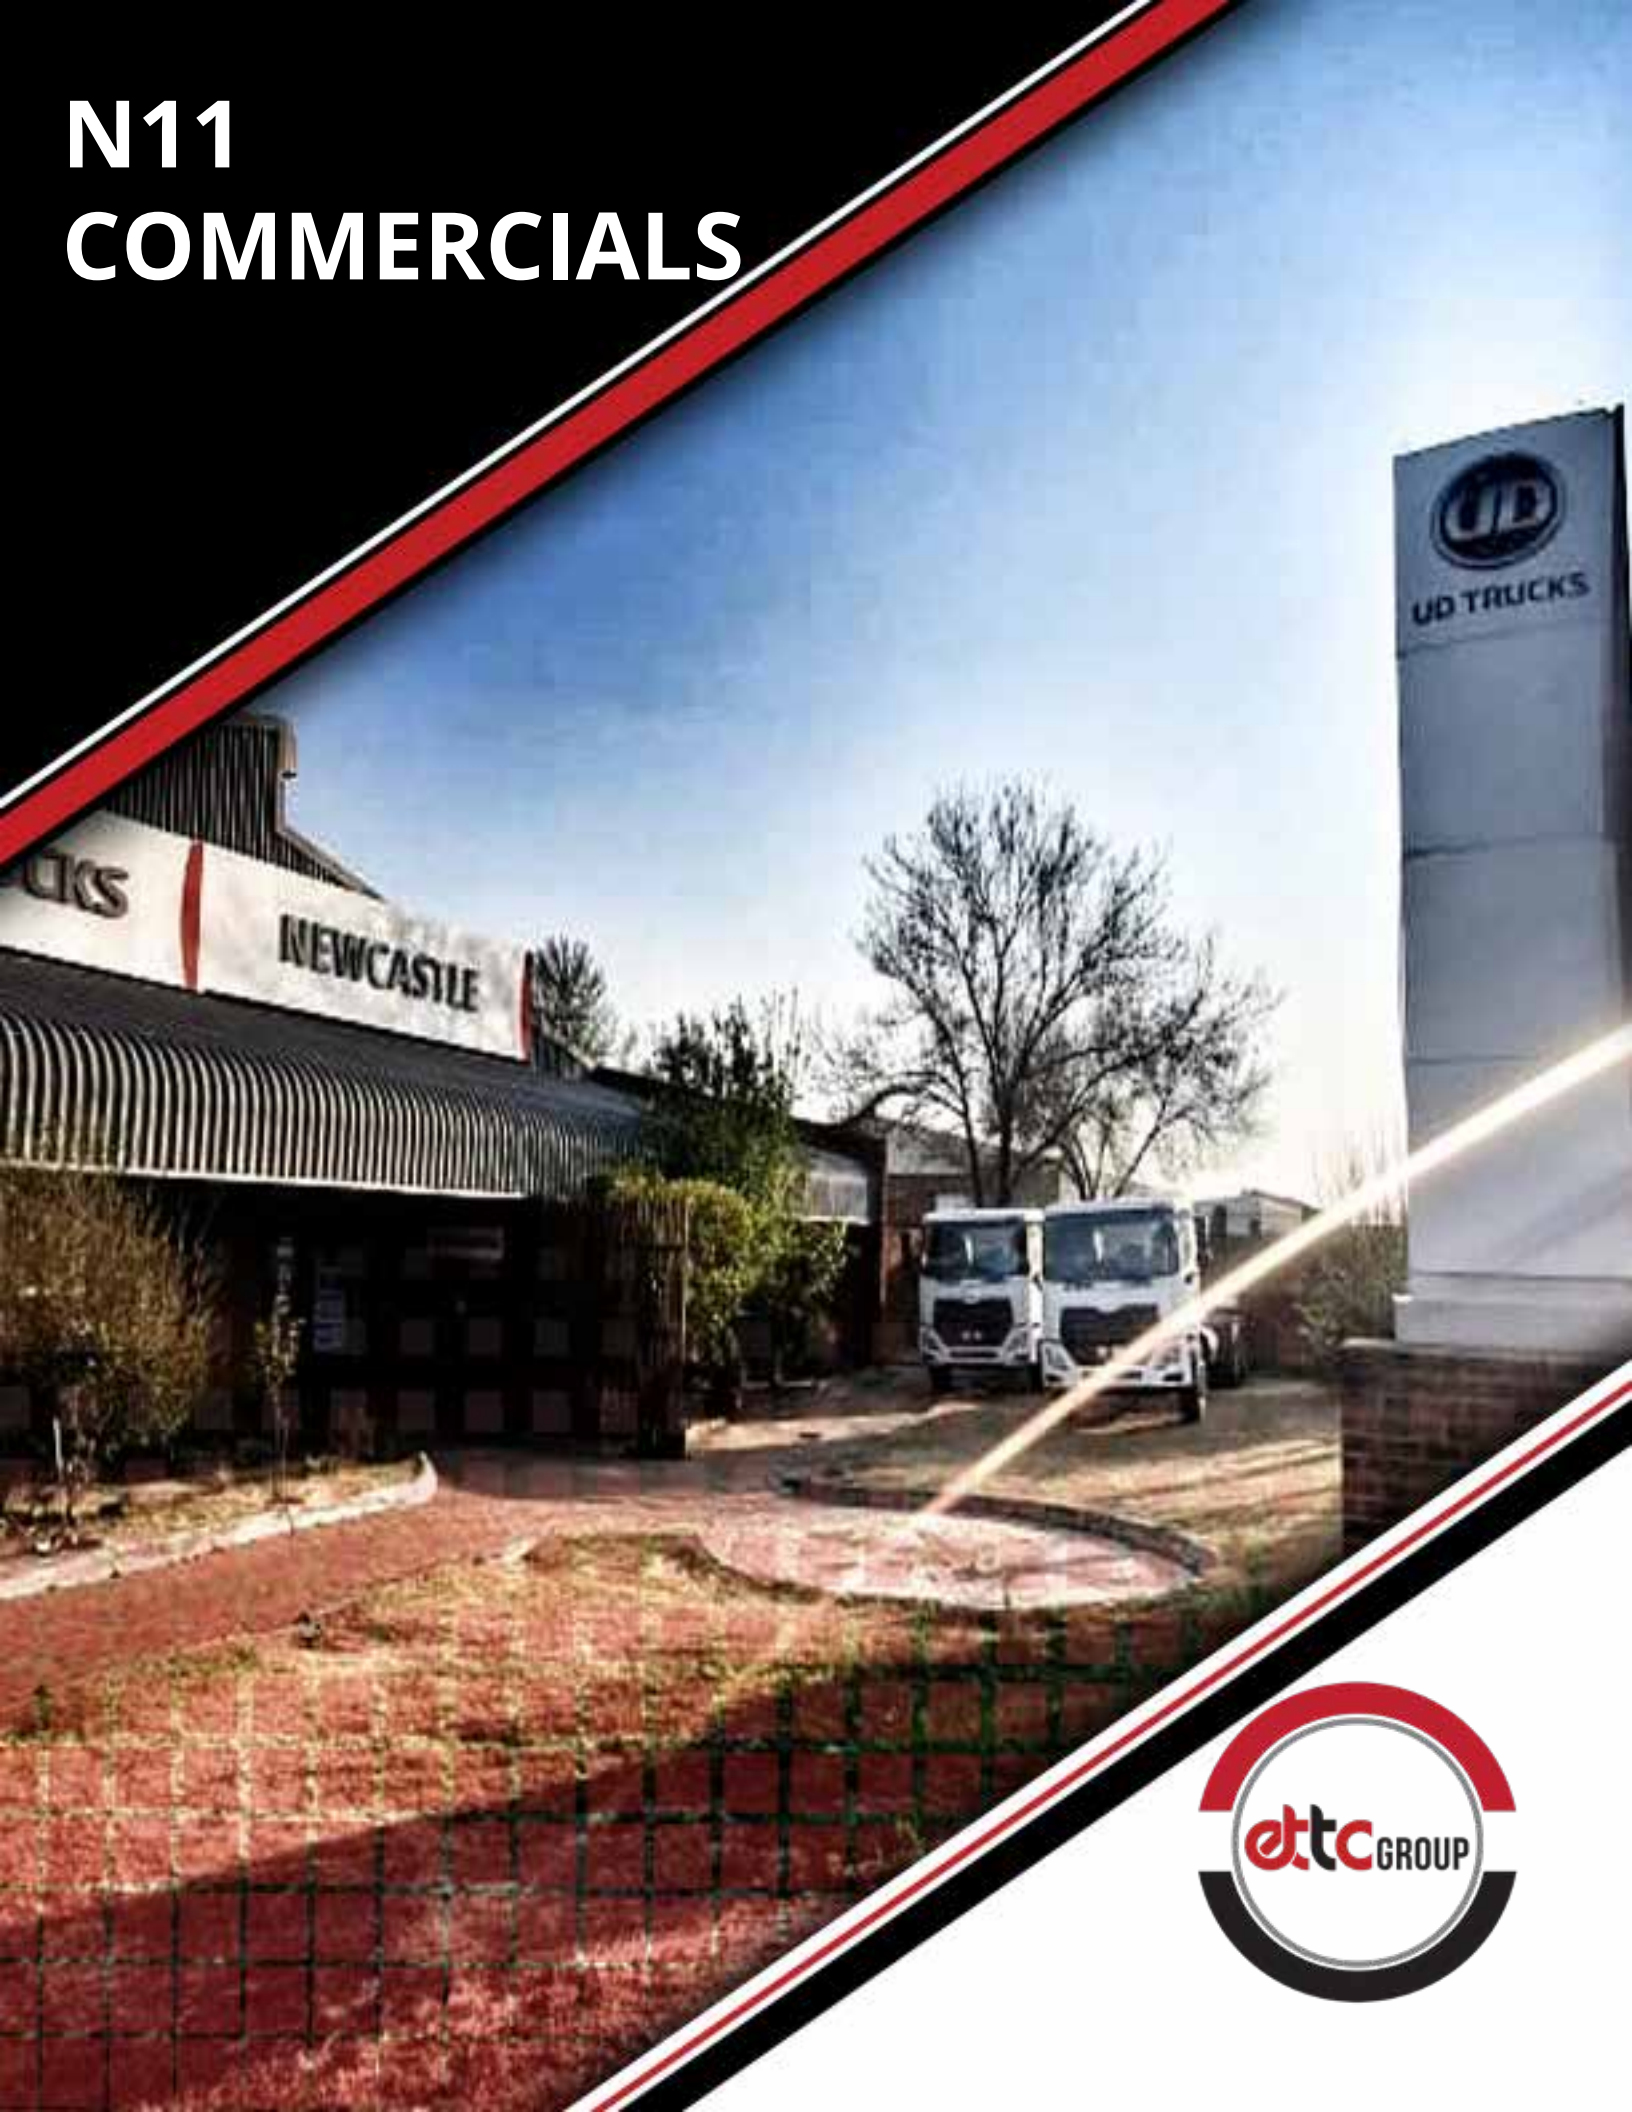

HIGHVELD COMMERCIAL

04 Celsius Street, Middelburg, Mpumalanga, 1050

N11 COMMERCIALS

N11 COMMERCIALS

- N11 opened his doors 2009 with 2 major brands after the need for commercial trading was identified in the northern KZN district. The area of responsibility for our Newcastle dealership has grown with an enormous footprint and delivers exceptional service from sales, parts and after sales.
- The initial opening had Iveco running as a service agent, but are recognised as a fully operational dealership supplying the Iveco brand products.
- The UD Trucks brand has established itself to be recognised in the northern KZN and produces a sustainable income.
- We introduced the Eicher brand in 2018 and the Shantui brand was introduced in 2025 steadily growing by numbers in the industry.

08 Gutenberg St, Riverside Industrial, Newcastle, 2940

ERMELO COMMERCIAL VEHICLES

Ermelo Commercial Vehicles

- We've decided to supply a diverse range within our group of commercial vehicles and started Ermelo Commercial Vehicles which will be trading in various brands.
- The Powerstar brand has proven itself over the years to be affordable and reliable, and hence the reason why we're proud to own a wide footprint within Mpumalanga.
- FAW was acquired in 2018 to support our diverse product range and this proud company is growing monthly in the last years.
- We are an official supplier on all our brands for parts, after sales and sales. We also offer a 24/7 standby on parts and roadside assistance.

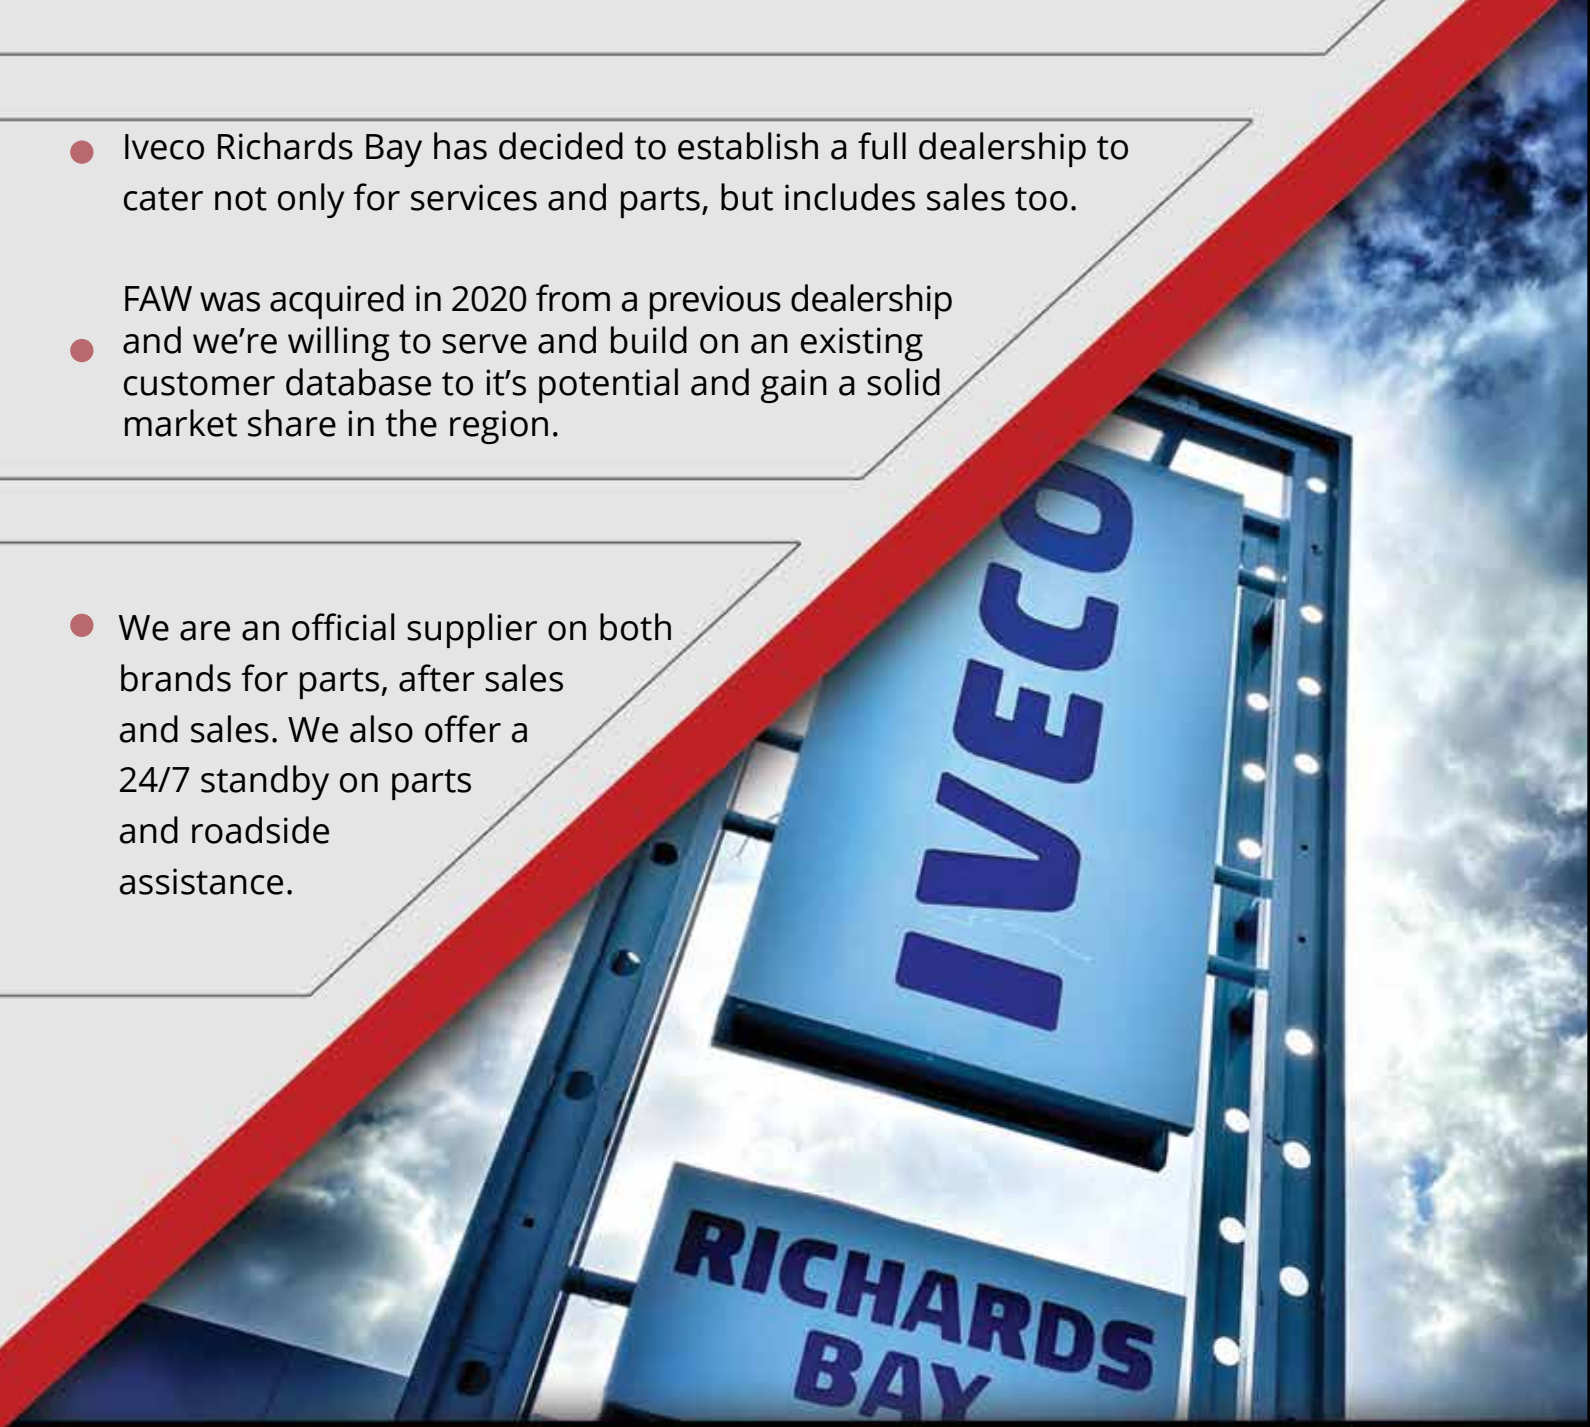

28 Chris de Villiers Street, Ermelo, Mpumalanga, 2351

RICHARDS BAY COMMERCIAL VEHICLES

RICHARDS BAY COMMERCIAL VEHICLES

- Richards Bay opened its doors to the public in 2020 after a successful off-site service division started in 2018 and expanded beyond its capacity.
- Iveco Richards Bay has decided to establish a full dealership to cater not only for services and parts, but includes sales too.
- FAW was acquired in 2020 from a previous dealership and we're willing to serve and build on an existing customer database to it's potential and gain a solid market share in the region.
- We are an official supplier on both brands for parts, after sales and sales. We also offer a 24/7 standby on parts and roadside assistance.

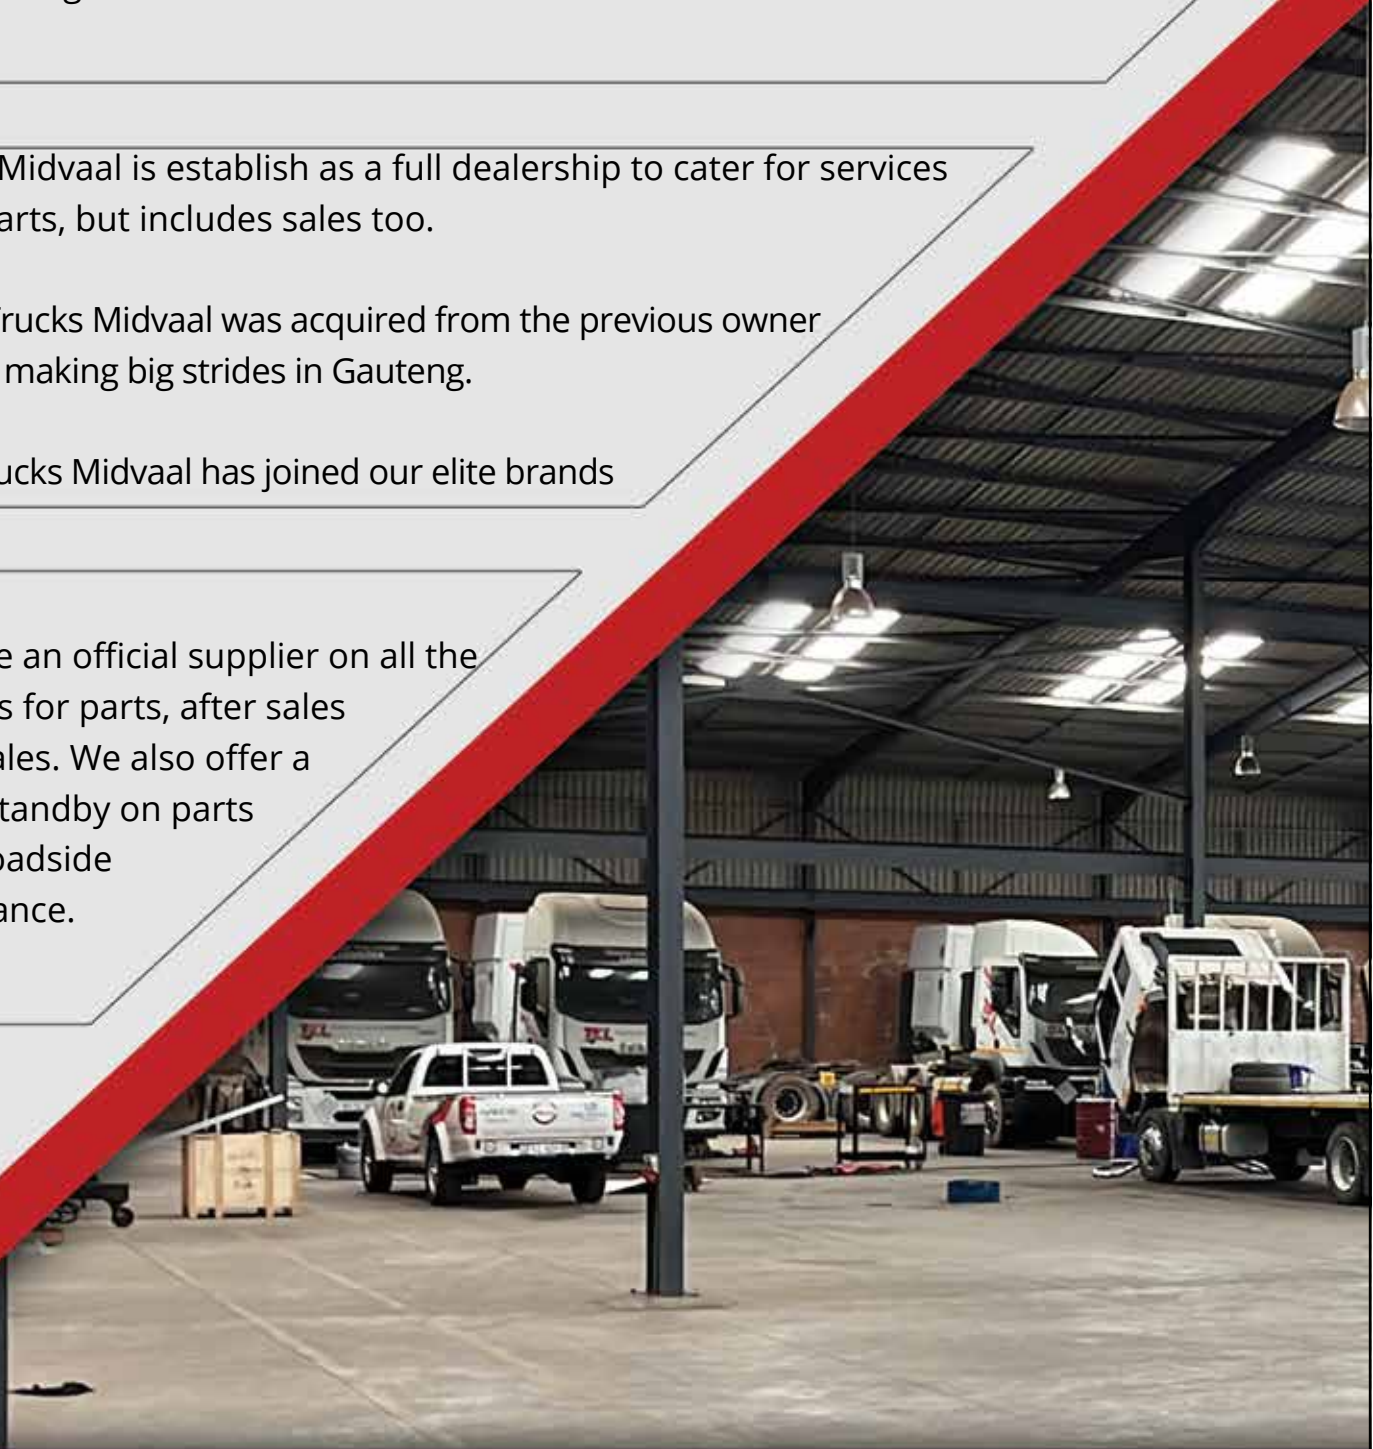

21 Alumina Allee St, Alton, Richards Bay, 3900

MIDVAAL COMMERCIAL VEHICLES

MIDVAAL COMMERCIAL VEHICLES

- The Midvaal dealership is our latest addition to the ETTC Group, covering the south of Gauteng with sales and after sales.
- Iveco Midvaal is establish as a full dealership to cater for services and parts, but includes sales too.
- FAW Trucks Midvaal was acquired from the previous owner and is making big strides in Gauteng.
- UD Trucks Midvaal has joined our elite brands
- We are an official supplier on all the brands for parts, after sales and sales. We also offer a 24/7 standby on parts and roadside assistance.

SWAZI TRUCK & BUS

SWAZI TRUCK & BUS

- Swazi Truck & Bus in Eswatini (Swaziland) opened its doors to the public in 2002 after a needs analysis from our neighbouring country indicated that they are growing with a positive GDP, especially in the agricultural segment.
- Iveco Swazi Truck & Bus has decided to establish a full dealership to cater not only for services and parts, but includes sales too.
- Powerstar was later introduced to Eswatini as the cost effective brand showed potential in the country.
- FAW Trucks since 2021 and Shantui in 2026.
- We are an official supplier on all the brands for parts, after sales and sales. We also offer a 24/7 standby on parts and roadside assistance.

King Mswati III Ave W, Matsapha, Eswatini

ZULULAND COMMERCIAL VEHICLES

ZULULAND COMMERCIAL VEHICLES

- Zululand Commercial Vehicles was acquired in 2025 to expand our footprint in the Richards Bay area and also extending our UD Trucks dealership. With this dealership we're also proud to be associated with Volvo as a service dealer for them.
- UD Trucks Richards Bay is a well-known brand in the Richards Bay area, and is a full sale and service dealer.
- Volvo is the latest edition of brands to our group and will power on in the Richards Bay market as service dealer.
- We also offer a midway service centre in Pongola to assist with a 24/7 breakdown service and is also equipped to handle routine services
